Tips

- ✓ **Turn off the tube and computer.** Substitute physical activity for one hour of TV viewing each day.
- ✓ **Try something new.** Pick a new activity that you can do once a week instead of watching TV or playing video games. Trips to the library, museum, local pool, park, or farmers market are great ideas.
- ✓ **Tune into dinner, not the TV.** Do not watch TV during mealtimes. Instead, focus on eating together as a family.
- ✓ **Keep it out of the bedroom.** Keep TV's out of each bedroom in your house.
